

Jantina Eefting

I am a graduate with a **bachelor's degree** in biochemistry and microbiology. I recently finished a course, where I learned HTML5, CSS3, JavaScript, Bootstrap, API's, hosting and **React.js**. I am new to coding and I am extremely passionate about it. I am **detail orientated** and a team player. I work hard, always puts the customer first, and I am always eager to learn new skills and ways to do things.

🏠 Dec 2019

🏠 Brackenfell High School

High School Diploma

Subjects I took includes Mathematics, Biology, Accounting,
Science, Geography and English

🏠 Dec 2012

Work experiences

- Au pair Feb 2017 – Jan 2019

Several families in the USA, Belgium, and Ireland

I provided entertaining and care for the kids. I had to basic
housework too and occasionally grocery shopping.

- Shop Assistant Jul 2017 – Aug 2017; Jun 2018 – Sept 2018

Camping Parc la Clusure

I was responsible to handle transactions in the shop, restock and
customer service. I communicated directly to the customers and
handled their enquiries. I also had to make sure that the shop and
surrounding area was clean. I worked as part of a small team.

- Au pair Jul 2019 – Aug 2020

Vaughan/McNamara Family in Ireland

I am responsible for everything surrounding childcare. Taking kids
to and from school, entertaining them and occasionally grocery
shopping.

- Customer service agent Sept 2019 – present

Teleperformance Portugal

I am part of a team of agents that give customer support to a
online shop. I am responsible to help customers with empathy and
effectively. There are set goals for optimal productivity and
performance.
